

Your Partner to take you
HIGHER

OVIO CORPORATION
LEADING OEM / ODM SOLUTION

CONTENTS

1 / MILESTONES

2 / ORGANIZATION

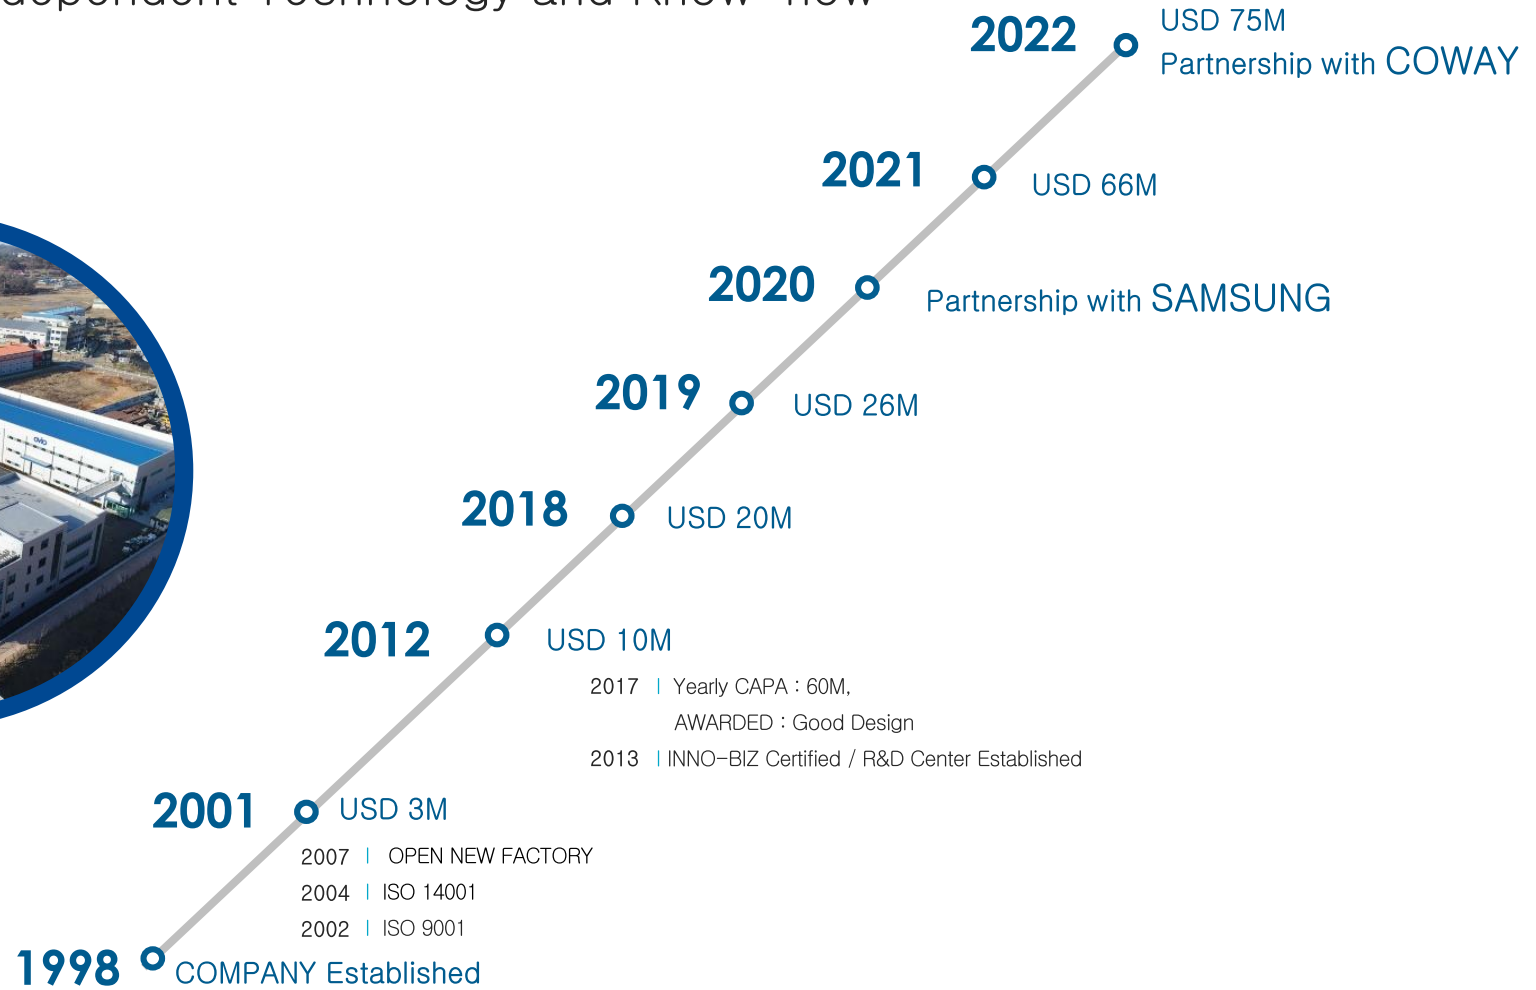

3 / CORE COMPETENCE
[PRODUCTION/R&D/QM/ADMINISTRATION]

4 / VISION

01 · MILESTONES

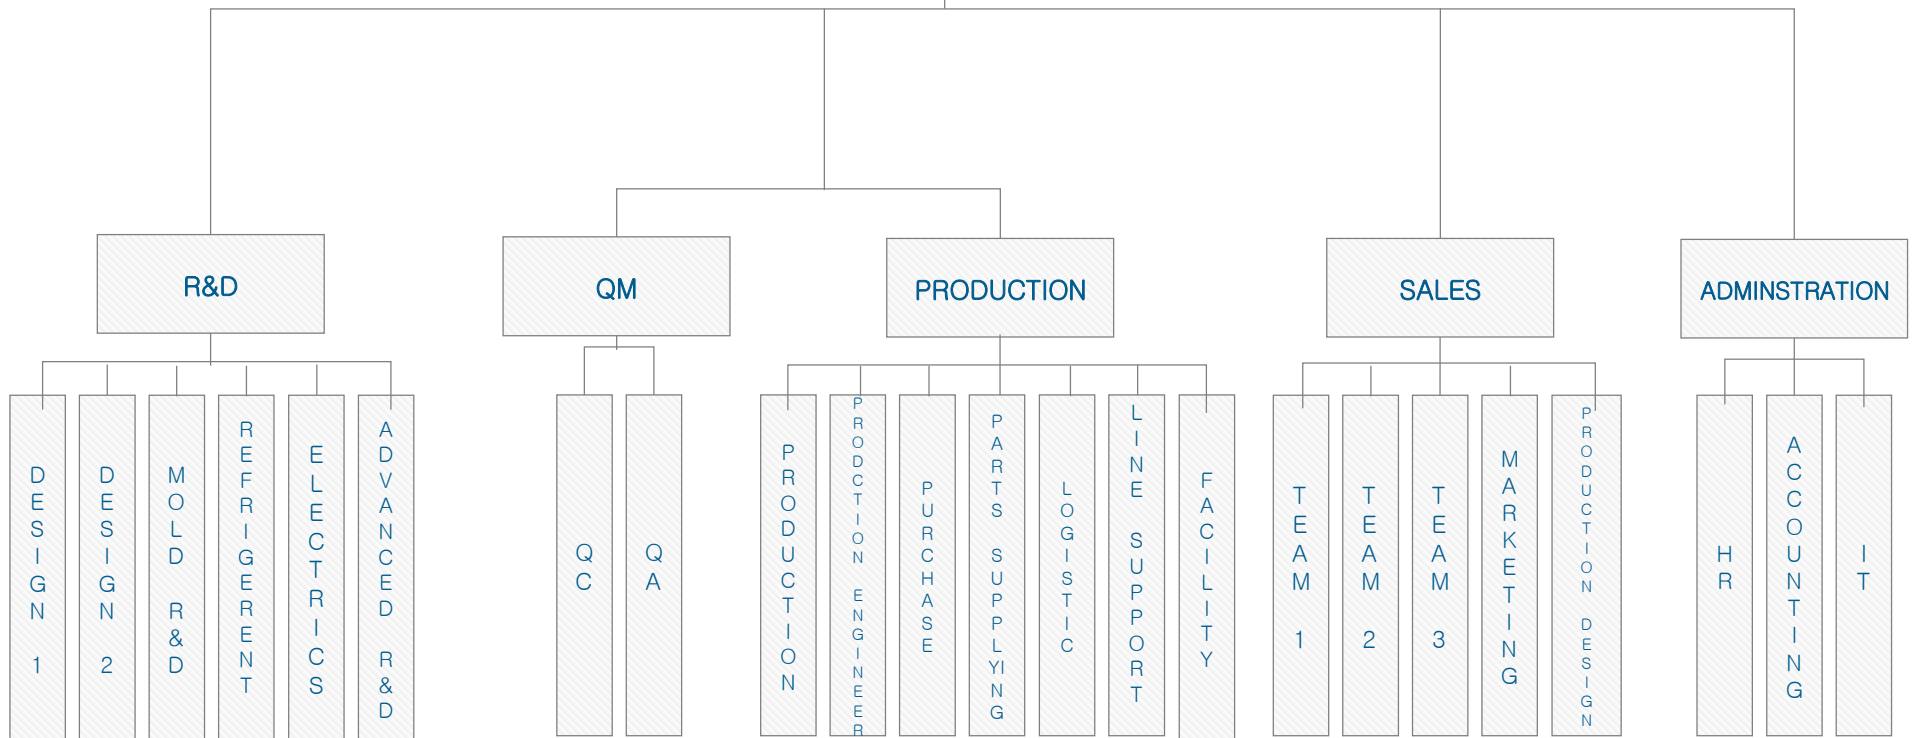

Growing into a “Global Market Leading Company”
with 25 years of Independent Technology and Know-how

02 - ORGANIZATION

TOTAL EMPLOYEES : 235
OFFICE : 69 (R&D : 19)
1 ORG. / 2 UPPER MGT.
/ 4 DEVISIONS / 23 TEAMS

03 - CORE COMPETENCE [Production]

More than 600K units per year with 4 Lines

1

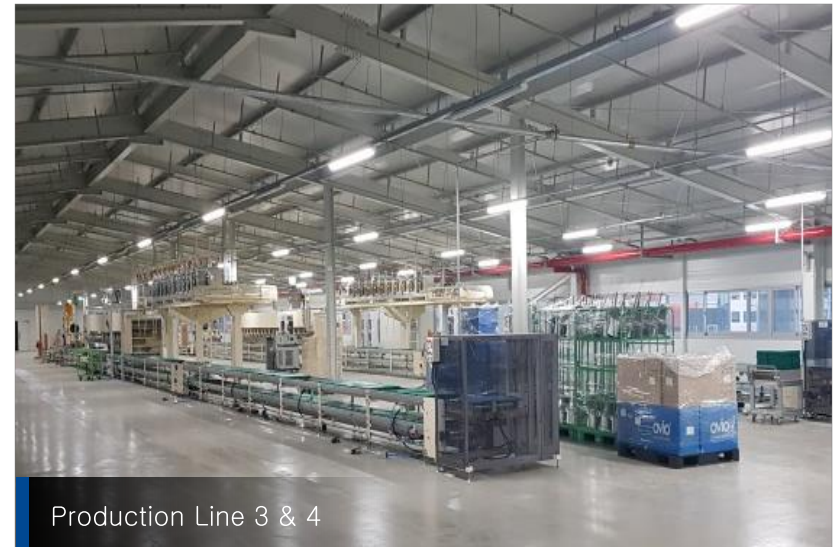

Modernized 4 Production Lines
Max 2,000 units / day
600K units / year

2

Available R600a Refrigerant

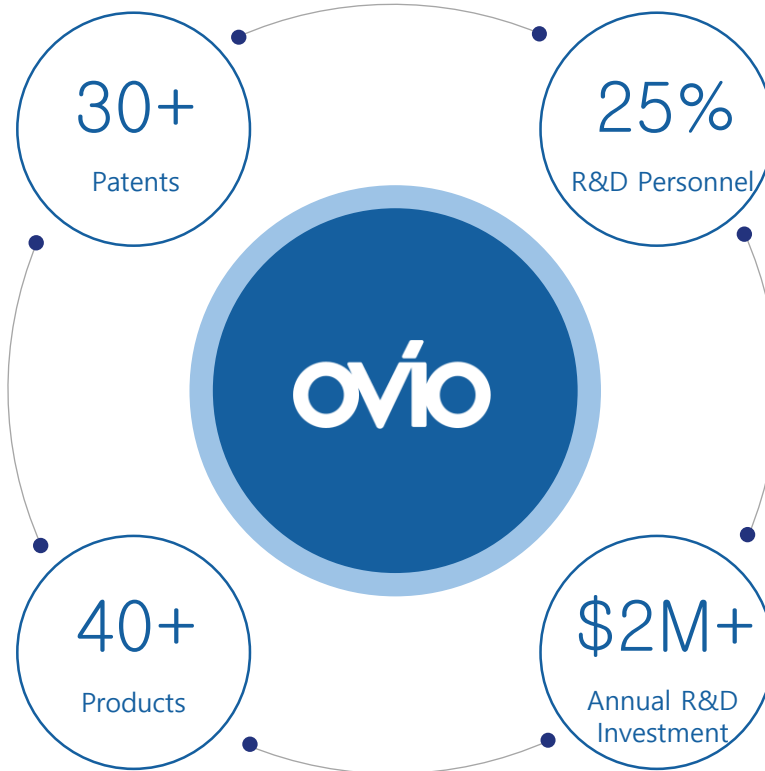

3

Cell Line System :
Multi-Variety Small Volume
Production

Optimal Products based on Technology to Meet Customer Needs

- More than 30 Patents held/applied
- Intellectual Property

- Corporate Affiliated Research Institute
- Dedicated R&D for each PJT.
- Product Innovation Activities and Competitiveness Enhancement

- Continuous Advanced R&D Investment
- Reinforcement of Research Manpower Infrastructure and Inv. in Research Facilities
- Training New Develop. Personnel

- Developed more than 40 Products (More than 100 types incl. derivatives)

Product Quality Based on ISO9001 Quality Management System

QM Know-how

- Quality Improvement Insights through Quality Issue History Management
- Consistent Quality Control
- Quality Certi. and Industry Stds. Regulatory

ZERO(%) Defect

- Securing Inspection Reliability :
Line Inspection Process Automation
- Strict Quality Inspection at IQC/LQC/OQC
- Zero(%) Defect :
Quality Goal Setting and Monitoring

Resource Management

- Securing Adequate Human and Technical Resources to Strengthen QM Capabilities
- Improve Professionalism :
Systematic Education and Training

Client Satisfaction

- Initial Customer Requirements Analysis & QA Design
- Continuous Product improvement Activities:
Identifying Customer Needs & Managing Feedback
- Systematic Customer History MGT

Thorough verification of more than 40 inspection items using more than 30 different types of inspection equipment

Main Inspection Facilities

Chamber

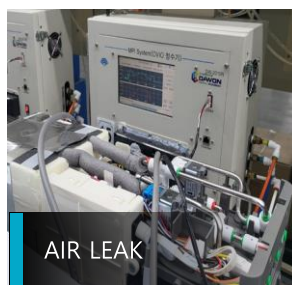

Water Flow

XRF Tester

Refrigerant Leak

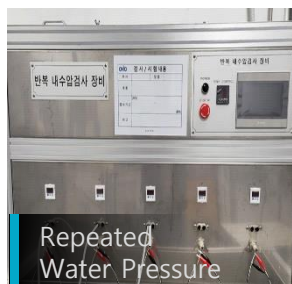

AIR LEAK

Valve Tester

Pump Reliability

Repeated Water Pressure

Filter Performance

No.	Inspection Facilities	No.	Inspection Facilities
1	Constant temp. and humidity chamber	16	Voltmeter
2	Water Flow	17	PH Composite Electrode
3	XRF Heavy metal analyzer	18	Thermograph
4	Refrigerant Leak Detector	19	Sound Level Meter
5	AIR LEAK	20	Light Meter
6	Valve checker (Hi pressure, Lo pressure)	21	Residual chlorine meter
7	Pump Reliability	22	Dissolving Hydrogen Meter
8	Repeated Water Pressure	23	Withstand voltage/insulation resistance tester
9	Filter performance test	24	Frequency Converter
10	Filter Destruction Test	25	Filter Leak Tester
11	Film thickness meter	26	Salt Spray Tester
12	Rubber durometer	27	IGR Leakage Analyzer
13	Projector	28	Flow Sensor Tester
14	Insulation resistance tester	29	Earth Continuity Tester
15	Ammeter	30	Static Electricity Meter

03 - CORE COMPETENCE [ADMINISTRATION]

Close Responses to Development PJT based on Customer Needs through **Regular Meeting Body** with Dedicated Staffs

Technology Innovation

- Product performance improvement and stabilization
- **Product Development Review**
- Exploring New BZ through continuous Technological Innovation
- New Product Development : step-by-step Progress Management

Quality Meeting

- **Market Quality Monitoring**
Rapid Response to Issues
- Maintaining Quality Consistency and minimizing Defects through Statistical QC
- Realizing customer satisfaction through continuous quality improvement

OVIO

CLIENT

Production & Sales Meeting

- Compliance with **Requested Delivery Date**
- Optimize production efficiency
- Preventing potential problems and finding ways to respond
- Share Real-Time information and improve Demand Forecasting

Growth and Innovation through Binding Partnership

OVIO has pursued continuous innovation and development through partnerships with our customers.

OVIO has constantly strengthened our competitiveness based on enhanced cooperation and consulting.

OVIO is also proud of the fact grown into the company meeting global standards.

Create Higher Value from Enhanced Capabilities

OVIO is ready to respond quickly and solidly to customer development and production requests at any time.

OVIO's quality, development and manufacturing capabilities are further strengthened through continuous cooperation.

OVIO can take pride in creating outstanding results as a partner to our customers.

OVIO's ceaseless innovation and passion contribute to creating greater value as partners with customers.

Get Together for the Future

OVIO continues to explore possibilities for a better future through partnerships with customers.

OVIO also looks forward to creating greater value through continuous cooperation and passion, and moving forward together toward a new leap forward.

THANK YOU
